To Whom it May Concern:

I recently came across your advertisement for a graphic / web designer, and would like to submit my resume for the advertised post. After reviewing your requirements I feel that my qualifications and work experience perfectly match them. While full-time, permanent employment is my objective, I am also open to the idea of working for you for one week unpaid. This will allow you to have the opportunity to ascertain if I am the right applicant for the position you are hiring for.

I hold a Bachelor's degree in Graphic Design and have a total work experience of 14 years. I am well versed in different areas of design and have successfully designed solutions for print media and websites. My key duties and responsibilities include, among others, the following:

- Meeting clients to discuss the objectives and requirements
- Understanding the client's needs and developing suitable concepts
- Estimating the amount of time needed to complete projects
- Designing different types of illustrations and layouts as per brand guidelines
- Produce excellent visual solutions
- Working with different types of media, including computer aided design, and photography
- Working alone or as part of a team as per the requirements of the project
- Collaborating with copywriters, photographers, printers, stylists, illustrators, and account managers to give the best service to the clients

I am comfortable with Mac OSX as well as Windows. In addition, I have in-depth knowledge about almost all top designing software, including the following: Adobe Photoshop, Adobe InDesign, Adobe Illustrator, Adobe Dreamweaver, and Adobe Acrobat Professional. Good communication and listening skills are paramount for a graphic designer, and I excel in both verbal and written communication. I am a team player to the core, but am also at complete ease when working alone. I have attached a copy of my resume as well as the link to my online portfolio for your reference.

In closing, I would like to sincerely thank you for taking the time to view my resume of my work. I look forward to hearing from you soon in regards to an interview appointment.

Thank you kindly for your time.

Best Regards,
Islam H. Bakr
